

Wisconsin Outpatient Hospital PricePoint Comparison: July, 2010 - June 30, 2011 Data

|   | Amery         | Burnett       | Osceola       | SCRMC         |
|---|---------------|---------------|---------------|---------------|
| Principal Procedure   | Median Charge | Median Charge | Median Charge | Median Charge |
| Diagnostic Colonoscopy (45378)  | \$2,589       | \$2,761       | \$2,525       | \$2,035       |
| Cataract Surgery with Intraocular Lens - Stage 1 (66984)                            | \$6,701       | \$4,523       | \$6,930       | \$4,793       |
| Upper GI Endoscopy with Biopsy (43239)  | \$2,962       | \$2,278       | \$3,176       | \$2,113       |
| Colonoscopy and Biopsy (45380)  | \$2,790       | \$3,289       | \$3,149       | \$2,127       |
| Lesion Removal Colonoscopy by Snare Technique (45385)                               | \$2,915       | \$3,600       | \$2,994       | \$2,161       |
| Injection into Lumbar or Sacral Area, Single Level (64483)                          | \$1,850       | NR            | NR            | \$644         |
| Drain/Inject Major Joint or Bursa (20610)   | \$1,852       | \$3,160       | \$3,596       | \$998         |
| Knee Arthroscopy/Surgery with Medial or Lateral Meniscectomy (29881)                | \$8,065       | \$4,331       | \$7,179       | \$5,264       |
| Injection into Paravertebral Facet Joint w Image Guidance, Lumbar or Sacral (64493) | \$2,272       | NR            | NR            | \$651         |
| Carpal Tunnel Surgery (64721)   | \$3,589       | \$3,032       | \$2,497       | \$2,734       |
| Cautery (45384)   | \$2,626       | NR            | NR            | \$2,351       |
| Creation of Eardrum Opening (69436)   | \$3,037       | \$1,891       | \$3,650       | \$3,088       |
| Uppr GI Endoscopy- Diagnostic (43235)   | \$2,499       | \$2,127       | NR            | \$1,979       |
| Risk (G0121)  | \$2,613       | \$2,873       | \$2,320       | \$2,035       |
| Risk (G0105)  | \$2,624       | \$2,873       | \$2,468       | \$2,055       |
| Removal of Tonsils And Adenoids - < Age 12 (42820)                                  | \$5,611       | \$3,436       | \$6,095       | \$4,719       |
| Laparoscopic Cholecystectomy (47562)  | \$9,161       | \$6,039       | \$11,735      | \$8,099       |
| Reducible (49505)   | \$6,831       | \$4,758       | \$12,845      | \$3,535       |
| Left Heart Catheterization (93510)  | NR            | NR            | NR            | NR            |
| Unlisted Dental Surgery Procedure (41899)   | NR            | NR            | NR            | \$3,582       |
| Destruction by Neurolytic Agent, Nerve of Lumbar or Sacral Area, Single Lev (64622) | NR            | NR            | NR            | NR            |
| Injection into Paravertebral Facet Joint w Image Guidance, Cervical or Thor (64490) | \$2,246       | NR            | NR            | \$651         |
| After Cataract Laser Surgery (66821)  | \$2,744       | \$987         | \$1,022       | \$1,244       |
| Unlisted Cystourethrosopy (52000)   | \$3,111       | NR            | NR            | NR            |
| Shoulder Arthroscopy/Surgery with Decompression (29826)                             | \$9,125       | NR            | NR            | \$6,946       |
| Imaging (19103)   | NR            | NR            | NR            | NR            |
| Hysteroscopy with Biopsy (58558)  | \$5,058       | \$3,500       | \$8,203       | \$3,578       |
| Duct (47563)  | NR            | NR            | NR            | \$8,608       |
| Left Heart Artery/Ventricle Angiography (93458)                                     | NR            | NR            | NR            | NR            |
| Cataract Surgery- Complex (66982)   | NR            | NR            | \$6,932       | NR            |
| Knee Arthroscopy/Surgery w Medial and Lateral Meniscectomy (29880)                  | \$7,851       | \$3,733       | \$9,596       | \$5,227       |
| Colonoscopy with Lesion Removal (45383)   | \$2,647       | \$3,634       | \$3,993       | \$2,142       |
| Repair of Nasal Septum (30520)  | NR            | \$4,207       | NR            | NR            |
| Removal of Support Implant (Barbed wire, pin, screw, metal band, nail, rod) (20680) | \$6,194       | \$4,109       | \$6,423       | \$4,766       |
| Esophageal Endoscopy with Dilation (43249)  | \$2,517       | NR            | NR            | NR            |
| Uppr GI Endoscopy with Guide Wire (43248)   | \$2,572       | NR            | NR            | NR            |
| Removal of Tonsils (42826)  | \$5,765       | \$3,092       | NR            | \$5,159       |
| Arthroscopic Rotator Cuff Repair (29827)  | \$9,702       | NR            | NR            | NR            |
| Hysteroscopy with Ablation (58563)  | \$10,884      | NR            | \$11,952      | \$6,730       |
| Incision of Finger Tendon Sheath (26055)  | \$3,353       | NR            | \$3,229       | \$2,446       |
| Percutaneous Breast Biopsy with Imaging (19102)                                     | NR            | NR            | \$2,404       | NR            |
| Knee Arthroscopy/Surgery with Anterior Cruciate Ligament Repair (29888)             | \$11,935      | NR            | \$10,475      | \$20,245      |
| Laparoscopic Hernia Repair - Initial (49650)  | NR            | NR            | \$17,804      | \$8,698       |
| Repair Umbilical Hernia, > = 5 Yrs - Reducible (49585)                              | \$6,611       | NR            | \$10,951      | \$3,901       |
| Correction of Bunion (28296)  | \$4,096       | \$6,277       | \$5,932       | \$4,745       |
| Cystourethrosopy with Lithotripsy (52353)   | NR            | \$5,529       | NR            | \$9,561       |
| Removal of Adenoids (42830)   | \$2,526       | NR            | \$5,726       | \$6,437       |
| Low Back Disk Surgery (63030)   | NR            | NR            | NR            | \$7,929       |
| Laparoscopic Appendectomy (44970)   | NR            | NR            | NR            | \$8,378       |
| Cystourethrosopy with Stent (52332)   | NR            | NR            | \$6,825       | \$4,026       |
| Removal of Fluid in Abdominal Cavity (49080)  | NR            | NR            | \$2,424       | \$1,713       |
| Needle Biopsy of Liver (47000)  | NR            | NR            | NR            | NR            |
| Removal of Breast Lesion (19120)  | \$4,799       | NR            | NR            | \$2,805       |
| Muscles (20552)   | \$718         | NR            | NR            | \$353         |
| Fragmenting of Kidney Stone (50590)   | NR            | NR            | \$12,731      | \$11,677      |
| Repair Bladder Defect (57288)   | \$5,018       | \$7,252       | \$9,722       | \$6,940       |
| Mastectomy, Partial (19301)   | \$6,525       | NR            | NR            | NR            |
| Excision Breast Lesion with Preoperative Placement Radiological Marker (19125)      | \$5,127       | NR            | \$7,994       | NR            |
| Biopsy Skin and Subcutaneous Tissue; 1 Lesion (11100)                               | NR            | NR            | NR            | NR            |
| Destruction of Premalignant Lesion (17000)  | NR            | NR            | NR            | NR            |
| Knee Arthroscopy/Surgery with Shaving of Cartilage (29877)                          | NR            | NR            | \$8,379       | \$9,384       |
| Laparoscopy - Removal of Adnexal Structures (58661)                                 | \$9,526       | \$4,820       | \$16,484      | \$8,200       |
| Mohs Micrographic Tissue Removal (17311)  | NR            | NR            | NR            | NR            |
| Area (58662)  | \$7,716       | \$4,427       | NR            | \$6,368       |
| Insertion of Central Venous Catheter >= 5 years (36569)                             | NR            | NR            | NR            | \$5,135       |
| Repair of Hammertoe (28285)   | \$5,615       | \$4,558       | \$7,027       | \$9,742       |
| Remove Tonsils and Adenoids >= Age 12 (42821)                                       | \$6,211       | \$3,906       | \$6,757       | \$4,811       |
| Repair Rotator Cuff, Chronic (23412)  | \$13,953      | NR            | NR            | \$7,711       |
| Bone Marrow Biopsy (38221)  | NR            | \$4,136       | NR            | NR            |
| Placement of Drug Eluting Stent, Single Vessel (G0290)                              | NR            | NR            | NR            | NR            |
| Destruction by Neurolytic Agent, Nerve of Thoracic or Cervical Area, Single (64626) | NR            | NR            | NR            | NR            |
| Diagnostic Sigmoidoscopy (45330)  | \$4,482       | \$632         | \$527         | \$1,874       |
| Biopsy of Prostate (55700)  | NR            | NR            | NR            | \$593         |
| Centimeters (97597)   | NR            | NR            | NR            | NR            |
| Removal Implanted Central Venous Device with Subcutaneous Port/Pump (36590)         | NR            | NR            | \$4,252       | \$5,069       |
